

- Hey you all and welcome to the second episode of Halo Live Wire and More... YAAA we remembered the name this time.

We've got a great show lined up for you today, if this is your first episode to listen to, we are basically all about bringing insider information to the outside. Not that much of an in-depth podcast, but we do our best to keep you informed.

- Last time we talked a bit about the new xbox 360, some troubles and highlights of the console, some decent websites for halo 2, along with its upcoming release of Windows Vista, and some facts about the halo movie, out in 2007.

~ PERSONAL PROFILES ~

- This week, we will cover a variety of topics and nonsense, such as the badness of illness (such as the new flesh eating virus and the unstoppable force that is Leprosy). But seriously, were gonna cover some good topics like ...

Halo Tips ->

Noob -> if you know there's a sniper out there somewhere... you should keep your head down!!!

With rockets, remember to jump when you fire!

ANY MORE IF YOU HAVE SOME

GameTypes -> Spartan has one: Jedi

News -> Prodigy has gone metal again.

Mad Cow Disease

Hoof and Mouth Disease is also going around... be sure and take you Vitamin C
